

## **WANT YOUR BANK BACK?**

70% of the Co-operative Bank is now owned by private investors like US "vulture" hedge funds Aurelius and Silver Point. These are anything but ethical institutions.

The Co-operative movement was built around the power of collective action. Let's show the hedge funds how we do things. Without us, they have no business.

### **STAY ETHICAL RETURN TO MUTUAL OWNERSHIP**

The campaign is being led by Ethical Consumer magazine. For more info & to sign up see
